

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

11032/3028

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed

in patent number 5,918,014, granted June 29, 1999, and for which a reissue patent is sought on the invention entitled AUTOMATED COLLABORATIVE FILTERING IN WORLD WIDE WEB ADVERTISING,

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number ____ / _____
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described as follows:

I, the inventor, believe that pursuant to 37 C.F.R. 1.175, the original patent,

No. 5,918,014, is partly inoperative by reason that I claimed less than I had

a right to claim in the patent, at least in that the invention encompasses associating an

advertisement with an interactive medium item in connection with which the

advertisement is NOT to be displayed. This is a broadening reissue application.
